Commander's Corner

Howdy you handfule,

Well the ceiling tiles are starting to take off. Get to the Post and pick your spot. The full sized ones are \$30 and the smaller ones are \$15.

I hope you all had a hoppy Easter and found plenty of eggs and chocolate. EEEW, my sugar just went up.

Next meeting will be the final round for nominations for a Post Office, please participate. Fresh ideas and helpers are always welcomed.

Our next day with the Calusa Harbor Vets will be April 13th. They requested chicken and dumplings for their feast....I think they are trying to trick our ladies cooking staff. We had a smaller than usual turn out last month but things happen. Bobby Hubcat will again be performing for us and them. If you haven't yet been to one of these, please try to do so. You won't be disappointed. The cost of the meal will be \$3.00 for eat ins, \$10.00 for take out.....we want you to stay and drink. Just kidding!!

We are getting dangerously close to having to raise our drink prices. Our operating costs keep increasing along with taxes. I don't want to do it but we might have to. We need you at our 15 minute, or rarely longer, meetings to discuss this. I will ask Mary to attend our next meeting and get her input as well.

Speaking of Mary, we will be losing her dedicated service of more than 23 years at the end of May. Connie will take over the duties as lounge manager. We wish Mary well and we will miss her....so will the machines!! Segue way! Segue way!

Speaking of the machines, I'm sure everyone has heard about the new law coming about the electronic or mechanical slots being illegal. This basically is for the Internet cafes....right now. The Legion has a lobbyist in Tallahassee trying to get us excluded from this.....more when I hear more. He is on my email list and we discussed this at our last Florida Veterans Council meeting. What I gleaned from it was that we are exempt because we don't use their services, but.....we are talking about Government here!!

On a sad note, Dick Campbell has passed. Dick was a long time member and 3 time past Commander. There is still some blood outside on the sidewalk where he had to make a few points to non believers. Rest in peace, Commander.

Don't forget April 15th!! You know, the day we reward our great government for doing an exemplary job of watching and managing **OUR MONEY**. God, don't you just love em????

We have a full staff of bar tenders now as Judy Wootten was just hired. Please welcome her to our family. Judy was Milky's Buddy at Post 38.

That's about all for now so stay healthy, wealthy and wise.

MONTHLY MUSINGS:

Why are they called hemorrhoids instead of asteroids??

Ever notice that your index finger is the same size as your nostril??

Never laugh at the choices of your spouse...you are one of them!!

Yours in service,

Dave Doty
