Commander's Corner

Howdy all,

Not much to gloat about this month, but here goes anyhow.

Kudos goes out to all who helped cater to our vets from Calusa Harbor..I asked, you delivered. They will be here again on [Saturday](#) Aug. 11 same time same place as every other month. Brain fart! I can't remember what we are going to prepare for them next time. Ahh yes, the joys of aging.

Kudos also to Robby for repairing the floor in the lounge and to Tony Burton for his help on the front door and Tim Seltzer the window washer, and anyone else I forgot.

We got nailed by the Health "Chicken Shit" inspector recently. The list of violations is so long every member can pick his own little project. This happens every time they give us a newbie.

Please don't mess with the thermostats. The big ac froze up [last Saturday](#) [of course on a [Saturday](#)] and we had to call Fosters to have it repaired....**\$270.00 because we had it set too low**, below 75.
Don't do that!!!

Our nite business is almost non-existent, pitiful, and costly. It costs us more to stay open. We are open to any ideas as how we can turn this around. I know the economy sux and money is tight but we need to do something. Please help with your thoughts.

Taps goes out for Cliff Naler. Cliff was a long time member here. R.I.P. Cliff.

By the time y'all read this, Carol and I will be eating White Castle sliders in Indiana along with B&K coney dogs. We'll only be gone for 8 days, so I'm not turning the keys over to Hoppin' Johnny just yet!

That's about it folks. These newsletters are getting as short as our meetings...that's goooood!

MONTHLY MUSING: Why do they call it a TV set when there is only 1???

Stay healthy all,

Yours in service,
Dave Doty

For online membership renewal, National has finally put a system in place that actually works. It will safely accept credit cards, can let us know in a timely fashion, and not screw up our books and office procedures. Go ahead and renew online if you are so inclined.

However; ***DO NOT*** use the mail-in form with a credit card!! We cannot process them here and you can be robbed blind if the wrong person gets a peek at the filled-in form.

They call it a TV set because it's *no good* without the remote!!
