Commander's Corner

Whassup Legion family,

Well we didn't have anything expensive breakdown this month...so far. But we were given a huge problem and workload by the biggest prick of a health inspector I have ever dealt with. Two pages of chicken s..t stuff for us to do. Thanx to Judy and Robby for busting their butts in fixing and cleaning these so-called problems.

As of Feb. 1st. we will be set up with a computer for the membership to use in the meeting room. **Notice!** This computer will be used for legion business only. **No businesses**, as this would only tie the computer up for long periods of time. We will also have wifi for anyone with a laptop who would like to do their thingie anywhere in our Post, and, you **can** do your personal business, e-mail, etc. on **your** P.C., not ours. **There will be no laptops on the bar, tables only. This doesn't even need explaining.** A huge "THANK YOU" to our webmaster and tech czar, Thad, for his tireless work on getting this up and going for us. Next up, the fax machine. We're getting there.

The first round of nominations for Post Officers will commence at our Feb. meeting. We need more involvement and some new ideas.....Please.

We are planning on starting a monthly Steak Night back up in March. If this goes well, we might also bring in some music. But, if there is no participation as in the past, we'll cancel them. It's your call. Oh yeah, we will need cooks and wait staff as well.

We will have a little something for the super bowl, munchies etc. Also, we are getting a new TV for the front of the lounge for better viewing. We just replaced the broken one by the machines with a better one that was donated to us.

Sad news. Chuck Tyrrell "Charlie me boy" has passed. As you all know, he was a main fixture and Officer in our Post.

Rest in peace our friend, you are already missed.

That's it for now. Keep checking our website for any changes and/or upcoming events now that we can add them to our website as they occur.

Stay safe and healthy and Happy Valentines Day to all you sweeties out there.

Yours in service,
Dave Doty

Editors Notes

Web Address – www.alp351.com

Please check our Home Page every month as we have new video links and other news of interest to our post members.

The Post mourns the loss of Chuck Tyrrell. Chuck was an active dual member of the Post serving in various positions in both the Legion and the SAL, most recently as Legion 3rd vice and SAL Commander.

Post 351 also thanks Lan Mac Pest Control for the donation of a computer for the post use...

We also found that typing in www.alp351.com/1.html cuts through a lot of confusion, bringing the website to the top of the search results.
