From Armistice Day to Veterans Day

American effort during [World War II](#) (1941-1945) saw the greatest mobilization of the U.S. Army, Navy, Marines and Air Force in the nation's history (more than 16 million people); some 5.7 million more served in the [Korean War](#) (1950 to 1953). In 1954, after lobbying efforts by veterans' service organizations, the 83rd U.S. Congress amended the 1938 act that had made Armistice Day a holiday, striking the word "Armistice" in favor of "Veterans." President [Dwight D. Eisenhower](#) signed the legislation on June 1, 1954. From then on, November 11 became a day to honor American veterans of all wars.
