Speeding Ticket Near Kingsville, Texas...

Two Texas Highway Patrol Officers were conducting speeding enforcement on Hwy. 77, just south of Kingsville, TX.

One of the officers was using a hand-held radar device to check speeding vehicles approaching the town of Kingsville. The officers were suddenly surprised when the radar gun began reading 300 miles per hour and climbing.

The officer attempted to reset the radar gun, but it would not reset and then it suddenly turned off.

Just then a deafening roar over the Mesquite treetops on Hwy. 77 revealed that the radar had, in fact, locked on to a USMC F/A-18 Hornet which was engaged in a low flying exercise near this, its Naval Air home base location in Kingsville Texas.

Back at the Texas Highway Patrol Headquarters in Corpus Christi the Patrol Captain fired off a complaint to the U.S. Naval Base Commander in Kingsville for shutting down his equipment.

The reply came back in true USMC style:

"Thank you for your letter...."

You may be interested to know that the tactical computer in the Hornet had detected the presence of, and subsequently locked on to, your hostile radar equipment and automatically sent a jamming signal back to it, which is why it shut down.

Furthermore, an Air-to-Ground missile aboard the fully armed aircraft had also automatically locked on to your equipment's location.

Fortunately, the Marine pilot flying the Hornet recognized the situation for what it was, quickly responded to the missile system alert status, and was able to override the automated defense system, before the missile was launched to destroy the hostile radar position, on the side of Hwy. 77 South of Kingsville.

The pilot suggests you cover your mouths when cussing at them, since the video systems on these jets are very high tech.

Sergeant Johnson, the officer holding the radar gun, should get his dentist to check his left rear molar. It appears the filling is loose. Also, the snap is broken on his holster."

Hello All...

Summer is coming to an end and the holidays are almost upon us. The snow birds will be returning and cooler weather is on the horizon.

Thank you to everyone who donated for the school supply drive. Special thanks to T.J. for the generous donation of 100.00. Also a special thanks to the Legionaries for their donation of 100.00 for snacks for the kids.

We served Calusa Harbour Veterans this month with an Italian Feast! Fun was had by all. Thank you Carrie for doing the cooking, and all the wonderful ladies for serving the food and drinks! Saturday, September 14, we will be having hot dogs, hamburgers and all the fixing. Remember you can eat lunch for only 3 bucks!

2014 membership cards are here!! Officers must obtain their cards ASAP.

The next Auxiliary meeting will be October 10, 6 pm. We hope to greet new members at that time! I will be out of town most of September. Please see Judy C. for any auxiliary business.

A big **THANK YOU** to all of the members who support our car wash. Without you, it would be a huge wash out!!

For all you SAL members out there: The SAL meetings are held at 11:00 AM on the Sunday prior to the general meeting (usually the second Sunday of the month). The meetings are usually pretty quick and always fun. Your participation would be greatly appreciated. Come on in early enough to have a couple of bloody Mary's while they're on special.

Monthly Car Wash, Sept. 1 from 11:00 AM to 3:00 PM at Post 351. The cost is \$5.00 a car and includes wash, dry and vacuum.

Car Washes will be held on the first Sunday of every month afterwards. The Car Washes are being held to support our American Legion Post and the SAL.
